

Student Interactive Portfolio

A complete **S**tudent **I**nteractive **P**ortfolio (SIP); professionally produced to cover any qualification by any Awarding Body. We can produce any qualification portfolio you may require, mapped against (if required) your existing scheme of works

SIPs available:

- Preparing to Teaching in the Lifelong Learning Sector (PTLLS) 7303.
- Certificate in Teaching in the Lifelong Learning Sector (CTLLS) 7304
- Certificate in Assessing Candidates using a Range of Methods (Vocational Assessor) A1

A one-stop tool that contains all the information in one place, this will enable the candidate to complete any of the qualifications with ease. This is a time-saving item; more time devoted to assessments not paperwork.

This is a pre-view of our SIP, which our candidates receive.

Why use one of our e-portfolios?

1. Consider the time-saving aspect of compiling/production of paper-based portfolios.
2. Using the SIP will slash £'s off storage, ink for printing and photocopying fees.
3. Designed to your requirements eg Logo, Company colour scheme, Student /support resources, Location Map, Library opening times, Link direct to your website, contact details etc.
4. Increased motivation and quicker completion, leading to increased retention.
5. Built in security using user name and password.
6. Easy to follow and logical navigation icons.
7. No need to remove work from the portfolio for verifying; the SIP can be accessed by the IV/EV anytime.
